ILLINOIS CONVICTS MOURN DEATH OF DEPT. WARDEN SIMS. Joliet, Ill., June 17.—Not one of the 1700 convicts at the state penitentiary has availed himself of the daily hour of recreation since the death of deputy warden Henry Sims last Saturday.

All of the convicts attended religious services and united in singing "Farewell," a song composed by one of the convicts in memory of Mr. Sims.

The devotion of the prisoners to Mr. Sims is a tribute to his character as a disciplinarian of the institution.

Be Beautiful to "Him"

The Exquisite Fragrance of Loh & Pink's Riveria Toiletum Will Give You a Delicacy "He" Can't Resist.

Every woman can make herself more attractive. No matter how beautiful you may be, the atmosphere of faintness which Loh & Pink's Riveria Toiletum lends to every user will give you greater power to charm those about you.

It will make your skin soft and velvety, too. Being absolutely pure—with out the boracic acid and injurious lime usually found in toiletums—it cools and soothes the most sensitive skin. Use it after the bath, when changing costume, before retiring, and you will find yourself daintier and more pleasing even to yourself. In hot weather it is especially valuable. Get one of the beautiful, large signs jars from your druggist and try it. You will never again be satisfied with any other.—Advertisement.

## ANKLE BEGAN TO GET SCALES ON IT

Sting Looked Like Pimple, Itching and Tormenting. Ankle and Instep Swollen. Used Cuticura Soap and Ointment. In 6 Weeks Well.

1407 Story Ave., Louisville, Ky.—"Three summer ago in the middle of the night I was awakened with what I believed to be a sting of some kind on my left ankle. It was very severe. I scratched it till I felt it all over my body. Next day it looked like a pimple. Then it itched and burned every night and grew bigger. In six months it had grown to the size of a quarter and it hurt on itching and tormenting me till it got as big as a dollar. Then it began to get scales on it like a fish. It itched so badly that sometimes I thought I could tear the flesh from my leg. The more I scratched the larger it got. My ankle and instep were swollen.

"I used lard, tallow and all sorts of liniments that I knew of, but they were all the same. It got as large as two dollars, not round but oblong. Then I saw the advertisement of Cuticura Soap and Ointment and I sent for a sample and used them. The very first night I was able to sleep and the third night I was able to sleep all night without any itching or burning whatsoever. Then I bought some Cuticura Soap and Ointment. It got better all the time and in six weeks it was dry and well." (Signed) Geo. L. Kalkhoff, Oct. 10, 1912.

Cuticura Soap 25c, and Cuticura Ointment 50c, are sold everywhere. Liberal sample of each mailed free, with 25c. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Try Skin Absorption Instead of Cosmetics

(From The Woman Militant.)

The constant use of rouge and powder invites a coarsened, roughened condition of the skin, eruptions, enlarged pores and wrinkles. If you've learned this from experience, suppose you quit cosmetics and try what I recommend.

Ask your druggist for an ounce of ordinary mercurized wax and begin using this tonight. Apply like cold cream, washing it off the morning after. Keep this up for a week or two. The wax will literally absorb the coarse, colorless or bluish top skin, but you gradually as not to discommodate you at all. Just as gradually the clear, velvety, naturally tinted under skin comes to the surface. And mercurized wax becomes your everlasting friend.

For those wrinkles and large pores, make a face bath by dissolving an ounce of powdered salicylic in a half pint with hazel. This has remarkable astringent and tonic properties, and beneficial results come quickly.—Advertisement.
